Jon:

I had a good weekend and hope you did as well.

EPA is having email issues and I still (as of 11:21) have not been able to start my computer up. So things are a little iffy. I'm using some jerry-rigged work arounds right now.

I will try to call you later today, probably this afternoon.

Andy

Jon:

We have been working on other issues this afternoon.

I don't remember if you're in Friday, but early Friday afternoon is a possibility.
